LiberoAssurance Digital Certificates

LiberoAssurance is starting to replace the current hard copy certificates with electronic certificates.

This guide covers instructions to support stakeholders in verifying the validity of electronic certificates:

Verify the validity of a single certificate by using the Unique Certificate ID

in four simple steps.

Table of Contents

Step 1: Find the certificate's Unique Certificate ID

The UCID can be found in the signature text and at the middle right of the first page of the certificate.
